# Join the Warrens Cranberry Festival

Since it began in 1973, The Warrens Cranberry Festival has expanded from 75 booths and 3,500 visitors to over 3 miles of booths and more than 120,000 visitors each year.

As Warrens Cranberry Festival continues to grow, its need for volunteers increases as well. Cranfest membership is always looking for new members, and invites you to be a part of the festival this year!

There are several ways you can volunteer for the festival, from assisting with booths to stuffing envelopes. The hours you spend with The Warrens Cranberry Festival are up to you.

By volunteering, you will get to know your community and help the festival with its primary goal: to promote and raise funds for the Village of Warrens.

Warrens Cranberry Festival has given over \$3 million dollars in donations during its 50 years. Millions of dollars in revenue annually are brought into Monroe and its surrounding counties by The Warrens Cranberry Festival.

The Warrens Cranberry Festival donations have gone toward improving the Village of Warrens, property in Warrens, Fire Station, Ball Park and Playground, local Schools, Lions Club Building and Warren Mills Cemetery.

***Warrens Cranberry Festival volunteers really do make a difference!***

## *Help Continue to Build Our Community!*

Warrens Cranberry Festival began 50 years ago when a group of volunteers intent on improving the quality of life in Warrens had a vision of a community festival. They decided to celebrate a cranberry theme because Warrens is populated by numerous cranberry marshes.

The volunteers stayed together and continued to grow as their vision progressed. We are now looking forward to our 50<sup>th</sup> Festival, and Warrens' "tiny" festival is known worldwide. The Warrens Cranberry Festival is a community accomplishment of which to be proud.

The Board of Directors of Warrens Cranberry Festival, its current members and office staff encourage you to work together as preparations continue for each annual Festival. Join us as we continue to build our community through cooperation and the success of The Warrens Cranberry Festival.
