## 49th Annual Warrens Cranberry Festival - September 23-25, 2022, 7 a.m. - 5 p.m., Warrens, Wisconsin

Warrens, the “Cranberry Capital of Wisconsin,” is a small village, population 400, located in the northeastern corner of Monroe County. Warrens is also host to the annual World’s Largest Cranberry Festival and 2022 marks the 49th

celebration! The Festival is perhaps best known for its shopping and boasts 850 arts & crafts booths (unusual works of art), 350 flea & antique booths (primitives, pottery and antiques), 100 farm market booths (fresh fall produce) and 100 food vendors that make for a three-mile shopping extravaganza!

Forty-nine years ago a small group of people sat down to discuss the idea of having a cranberry festival in the Village of Warrens. These people had a vision, filled with ideas; of cranberry royalty, a parade, horse show, and farmer’s market and so the first festival was planned. It was held in early October and approximately 3,500 people attended. Now, 49 years later, attendance has grown to more than 145,000 visitors each year. The Festival brings in millions of dollars per year, contributing to the local economy and benefiting the travel and tourism industry. From the beginning the purpose of the Festival was to raise funds to improve the quality of life in the Village of Warrens. The Festival’s focus is to donate to community organizations, including schools, fire departments, lions clubs and scout/youth groups. Over the past 49 years, the Festival has donated more than \$2 million to such organizations and will continue to fulfill that vision and mission. The Festival is a nonprofit organization that solely benefits the community of Warrens.

Guests get an up-close-and-personal look at an actual cranberry marsh and learn about the history of the cranberry and its production in the area. Our individuals are committed to educating visitors on the production of cranberries, our indigenous state fruit.

On Friday and Saturday the Cranberries Jubilee Giant Fry Pan will be available. Thirty six years ago a tradition began and it’s been called many things “the giant fry pan” and “Bucky Badger Sundaes” but most everyone knows it as Cranberries Jubilee.” It is one of the most sought after attractions and people stand in line for hours waiting to purchase the warm cranberry mixture that is served over ice cream.

The Festival also features a variety of other contests including the Button Design for the 2023 Festival, Photography, Pictorial Cancellation, Biggest Berry, Flower Show, Quilt & Needlework, Be Our Guest (dress up in crazy costumes,) Marsh Medallion Hunt and a Cranberry Chiffon Pie Eating Contest. A variety of prizes can be won, from blue ribbons to gift certificates and cash.

This year the Parade Grand Marshalls will be Carolyn Habelman & Gale Sutherland and Parade Marshalls will be past & present Advisory Board Henry Knoepker, Nodji Van Wychen and June Potter.

The Parade Marshall designation is given to the individual, family or group whose impact has made a contribution to the Festival.

Recycling is one of the best things for the environment. While reducing piles of garbage, you're also protecting natural resources and habitat, cutting global warming pollution and saving water and energy. This year you can expect to see recycling bins near most of the major garbage barrels. Look for these bins when discarding any glass, cans or plastics!

Back by popular demand, the Festival's tenth *Marsh Medallion Hunt*. The Marsh Medallion will be hidden within the Cranberry Festival grounds on public property. Clues will be given starting Thursday, September 22. Check our website [www.cranfest.com](http://www.cranfest.com) for a new clue each day. The person who finds the Marsh Medallion will receive his/her prize by returning the medallion to the Cranberry Festival Office in Warrens.

The Festival has also drawn special guests from all over the world including, Canada, England, Norway, Venezuela and France. It has hosted the Governor of Wisconsin and the Secretary and Deputy-Secretary of Tourism for the State of Wisconsin for several years, as well as, a variety of politicians, Alice in Dairyland, Donald Driver, Wisconsin Honey Queen, Fairest of the Fairs, Miss Wisconsin and even a former Miss America! We have a map to mark where you are from and one year ask anyone not from the USA to please stop and get a souvenir. We had over 47 countries that came to say hello.

The Festival membership, board members, office staff, volunteers and sponsors are all very proud of this great Festival. People work very hard all year long to create a fun-filled Festival that visitors come back to year after year. Every person involved with the Festival has the passion and vision of the event in mind and that shines through when the event is in full swing and the sun is shining down on our small Village, giving us all good things to be thankful for. For 49 years the Warrens Cranberry Festival has been giving people a reason to celebrate the cranberry, Wisconsin's State Fruit. People enjoy themselves and look forward to this event each year; they plan their vacations around it and attend our event rain or shine. They embark on a three-day adventure, which brings them delicious food, beautiful artwork, great deals and a smile on their face! So mark your calendars - September 23-25, 2022, we hope to see you there!
