Our Organization

Warrens Cranberry Festival, the world's largest of its kind, is a registered 501(c)(3) organization that has been contributing to the Warrens Wisconsin area since its first Festival in 1973. The organization's focus is to donate to community organizations, including local schools, fire departments, Lions clubs and scout groups. Entering its 54th year, the Festival has donated over $3 million to such organizations, and it looks forward to contributing to the community even more in the future.

Our Event

In order to raise funds for the community of Warrens, a three-day Festival is always held the last full weekend in September, in celebration of Wisconsin's state fruit: the cranberry. The Festival features a wide range of events, including several contests and a parade on Sunday. This year's Festival is September 24-26, 2027.

The Festival is perhaps best known for its shopping areas, which include an Arts & Craft Show, Flea Market & Antiques, Farm Market and Food Courts. Combined, there are about 1,250 booths that make for a three-mile shopping extravaganza. Voted by our artist we have been in the top 100 contemporary shows consistently in the country!

Our Impact

The Festival has grown throughout the years from a Festival attended by 3,500 visitors in its first year, to more than 175,000 in annual attendance each year. As the event has grown, so has its impact. The Festival brings in over 14 million each year to the Monroe County, Wisconsin area, contributing to the local economy and benefiting hotels, restaurants and shopping centers.
